

**MAP SYMBOLS COMPETITION**  
(An individual competition)

**EQUIPMENT SUPPLIED BY KYEM**

Map symbols test

**EQUIPMENT SUPPLIED BY PARTICIPANTS**

Pencil or pen

**HOW YOU WILL BE JUDGED** (Reference U.S. Geological Survey map symbols brochures)

Each participant will be handed a sheet with 20 topographic map symbols and a line to the right of each symbol on which to write the name of the symbol or its use

Each map symbol correctly identified is worth 5 points

Because of the cost of producing the contest sheets, map symbols may be in black and white rather than color but, if this is the situation, colors will be indicated next to the map symbol

**THIS IS A TIMED EVENT WITH A MAXIMUM TIME OF 5 MINUTES TO  
COMPLETE THE COMPETITION--IN THE EVENT OF A POINT TIE THE  
PERSON WITH THE SHORTEST TIME IS THE WINNER**

*To protect the integrity of the competition, the map symbols used for the competition shall not be named or distributed prior to their use during the actual competition.*
